Military: US Army Pilot from Jan. 1966 to Jan. 1970. While in Vietnam flying as a Forward Air Controller (FAC) from July, 1967 - July, 1968 I was awarded The Distinguished Flying Cross (DFC) and The Bronze Star (with a 'V' for Valor). I was Honorably Discharged from the Army in Jan. 1970 in the Rank of Captain.

Jobs and Occupations: Field Representative for the Aetna Casualty & Surety Co. - 1965; Aviation Ins. While at UAL I served as a Line Check Airman (LCA). While at UAL, I was the MIA Schedule Comm. Chm. for the last 12 years prior to my Retirement. I also served as the Public Relations Coordinator during the pilot strike in 1985 and Chaired the UAL Liaison Comm. because of my strong abilities in dealing with Conflict Resolution which served me well as a Captain while flying the Boeing aircraft for United for 34 years.

When I moved to SE FL in May of 1974 I started an Aviation Insurance Agency from scratch and grew it into a Multi-Million Dollar Corp. all the while I was still flying for United Air Lines. I eventually sold AVION Ins. Agy. to my son a few years ago.
