Dear Residents of Evergreen Country Club,

My name is John Coniglio, and I am the President of Jamie Underground Inc., a licensed and insured underground utility contractor located here in Stuart, Florida. It is a pleasure to formally introduce our company to the Evergreen community.

We specialize in underground utility construction including residential water and sewer connections, with a strong commitment to safety, quality, and professionalism. For over 22 years, our team has proudly served homeowners and communities across the Treasure Coast, always treating each project with the same care and attention we would give to our own neighborhoods.

At Jamie Underground Inc., you can count on:

- Reliable, high-quality workmanship.
- Safety-first practices.
- Respect for your property and community standards.

Please contact our office to schedule a free estimate to connect your water service. Permitting will be included.

Thank you for welcoming us into your community.

Sincerely,

John Coniglio

President
