Contractors, Sub contractors, Construction Workers

- a. It is the property owner's responsibility to make sure that all contractors, sub-contractors, and workers are aware of the Association's construction guidelines and requirements. Contractors, subcontractors, and workers may be denied access to Evergreen if the rules are not followed.
- b. A current list of contractors, sub constructors, workers, etc. must be kept on file with the Evergreen Property Owners Association guards at all times. The list may be prepared by company name, rather than individual worker names. Property owners must notify the guards in writing of any additions or deletions to the list.
- c. THE SPEED LIMIT IN THE DEVELOPMENT IS TWENTY FIVE (25) MILES PER HOUR AND IS STRICTLY ENFORCED.
- d. Construction hours are from 7AM to 6PM Eastern Standard time. NO CONSTRUCTION IS ALLOWED ON SUNDAYS, INCLUDING OWNER-BUILDERS. Construction is **NOT** permitted on holidays.
- e. Construction workers are not permitted anywhere in the development other than in the specific building site upon which they are doing work.
- f. Fishing, hunting, and firearms are prohibited anywhere in the development.
- g. Pets are not allowed to be brought in by workers.
- h. Radios are only permitted if the volume is low enough not to disturb others.
- i. All vehicles must be parked on the job site, not on adjacent properties or on the streets. ALL vehicles must be removed out of the development at the end of each workday. Vehicles are not permitted to remain on the job site overnight (including those of owner-builders), except that construction vehicles may remain on the job site overnight if, and only if, such vehicles are being utilized for construction purposes on consecutive days. Once that portion of construction for which those vehicles are being utilized is completed, such vehicles must be removed immediately.
